Empathy Map

SAYS

- I want to know if I will get my credit card approved.
- I hope the process is quick and easy.
- I want a fair decision based on my details.
- I want transparency on why my application is approved or rejected.

THINKS

- Will I be eligible for the credit card?
- What factors affect my approval chances?
- Is my income and credit history good enough?
- Will I get the result instantly without any hassle?

USER

Credit Card Applicant

DOES

- Fills out the online application form with personal and financial details.
- Provides income, employment, education and credit history information.
- Submits the application and waits for the decision.
- Checks the result and follows up if needed.

FEELS

- Anxious about whether the application will be approved.
- Hopeful for a positive response.
- Wants a simple and smooth application process.
- Satisfied when the decision is fast and fair.
